

**CONSULATE GENERAL OF THE UNITED STATES OF AMERICA  
MUMBAI, INDIA**

**Medical Examination and Vaccination Instructions**

**List of Approved Panel Physicians  
Mumbai, Gujarat, Chennai, and Hyderabad**

Now that you are intending to apply for an Immigrant/K visa, The U.S. Consulate General in Mumbai has authorized the physicians listed below to undergo your medical examination. **Please make your arrangements for examination by any physician on the list at least seven days before your immigrant visa appointment.**

Please carry following things for each family member:

- Original appointment letter.
- Passport.
- Four recent photographs.
- All medical records of vaccinations, prior illnesses or treatments. You must discuss your medical history and current conditions – pregnancy, diabetes, hypertension and other conditions and medications taken – with the physician.

These physicians are Indian citizens practicing locally, and the examination they give to visa applicants conforms to standards and terminology prescribed by the United States Public Health Service. Any attempt by the applicant to influence the physician's medical judgment will reflect unfavorably on the visa application.

**The physician may need four to seven days to prepare the results of your medical examination. Collect the report from him/her and bring it to Consulate on the day of your formal visa application appointment.**

**The following fees for physicians have been authorized by the U.S. Consulate General  
Mumbai, effective October 1<sup>st</sup>, 2016.**

List of Hospitals	CMM - Hyderabad	Rele Clinic Mumbai	Apollo Hospital Gandhinagar	The Apollo Clinic Surat	The Apollo Heart center Chennai
Adult Examination	4000	5000	4000	3500	4000

\*\* Children 0-14years examination includes: Physical Exam + TST + TB testing, screening, and treatment as required by the Technical Instructions.

**Panel physicians who conduct medical examinations of immigrant and K visa applicants are required to verify that applicants have met certain vaccination requirement, or that it is medically inappropriate for an applicant to receive one or more of the following vaccinations: DT/DTP/DTaP, Td, Polio (OPV/IPV), Measles (or MR or MMR), Mumps (or MMR), Rubella (or MR or MMR), Rotavirus, Hib (Haemophilus Influenzae Type B), Hepatitis A, Hepatitis B, Meningococcal, Varicella, Pneumococcal, Influenza. If you have already received some or all of the required vaccinations, you should bring your previous vaccination records with you to your medical exam for verification and transfer to your international vaccination record. Physicians at the panel sites listed below can determine which of the listed vaccinations are medically appropriate for you, given your age, medical history, and current medical condition. Only vaccinations verified or administered at the panel sites listed below will be accepted by the Consulate.**

<b>Vaccines (per single dose)</b>				
<i>Rates vary according to brand and MRP. Below is a general guide.</i>
