On the day of your interview, bring the documents listed below for each visa applicant. Put them in the order listed below and be ready to hand them to the Consulate staff in this order. Use the tick boxes on the left side of this page to be sure that you have collected all the required documents.

- PASSPORTS**: Bring your current passport and all former or expired passports. Your current passport must be valid for at least eight months from the date of your interview and should reflect your correct name and date of birth.
- PHOTOGRAPHS**: Bring two color copies of your photograph in front of a white background that are 2 x 2 inches (51 x 51 mm) in size.
- DS-160 CONFIRMATION PAGE**
- MEDICAL REPORT**: Bring your medical report. You will need to undergo a medical exam from one of the Consulate's panel physicians before your interview. Information on scheduling your medical exam is available at <https://travel.state.gov/content/visas/en/immigrate/immigrant-process/interview/prepare/medical-examination.html>
- POLICE CLEARANCE CERTIFICATE**: Bring a police clearance certificate from your present country of residence and all countries where you have lived for six months or more since age 16 (Police certificates are also required for accompanying children age 16 or older).

If you are an Indian citizen age 16 or older and residing in India, you need to obtain a police clearance certificate from a Regional Passport Office. This certificate is valid for one year from the date of issuance. If you already submitted a police clearance certificate to NVC, please check if it has expired. If so, bring a new certificate to the visa interview.

If you are a foreigner residing in India and are registered with the Foreigner Regional Registration Office (FRRO), obtain a police clearance certificate from them. If you are a foreigner residing in India but are not registered with the FRRO, obtain a police clearance certificate from your District Police Station.

- Check the visa reciprocity table on the website <https://travel.state.gov/content/visas/english/fees/reciprocity-by-country.html> for each country you have lived in to determine if a police clearance certificate is required and how to obtain it.

U.S. police certificates are not required for applicants who have lived in the United States.

- BIRTH CERTIFICATE:** Bring your original birth certificate as well as a legible photocopy of it. If it is in any language other than English, bring a notarized English translation.

If you do not have a birth certificate or your birth certificate is missing your name, your date of birth, or the names of your parents, submit the following secondary evidence:

- A notarized affidavit executed by a parent, if living, or another close relative older than you. This affidavit should clearly state the relationship between the relative and you, how well the relative knows you, the date and place of your birth, the names of both your parents, and any other related facts; **OR**
- School-leaving certificate, matriculation certificate or Certificate of Recognized Boards from the school you last attended; **OR**

- EVIDENCE OF FINANCIAL SUPPORT:** During the visa interview, applicants will be required to present evidence to the consular officer that they will not become a public charge in the United States. You may present evidence that you are able to financially support yourself or that your U.S. citizen fiancé(e) is able to provide sufficient financial support.
